Description
and to financial, legal, and other advisors who help donors execute
their giving and investment strategies. The program is intended to
both increase the effectiveness of giving and also increase the level
of donations provided and engagement a donor has with a charitable
cause who previously felt that they did not know enough about the
cause they are interested in. The program currently interfaces with
donors over 100,000 times monthly through several venues. The primary
venue is the Company's website, which is updated daily and provides
curated articles, a directory of capacity-building resources, listing
of current learning events, issue-specific content related to current
issues philanthropy is focused on, a dataset of potential action
opportunities for donors who wish to give, use their voice to advocate
or volunteer for. The website connects donors with existing
issue-specific funds operated by community foundations and other
intermediaries that may allow new funders to have immediate and
meaningful impact. All resources on the website are provided free
of charge to end users.
