Description
and to financial, legal, and other advisors who help donors execute their giving and investment strategies. The program is intended to both increase the effectiveness of giving and also increase the level of donations provided and engagement a donor has with a charitable cause who previously felt that they did not know enough about the cause they are interested in. The program currently interfaces with donors over 100,000 times monthly through several venues. The primary venue is the Company's website, which is updated daily and provides curated articles, a directory of capacity-building resources, listing of current learning events, issue-specific content related to current issues philanthropy is focused on, a dataset of potential action opportunities for donors who wish to give, use their voice to advocate or volunteer for. The website connects donors with existing issue-specific funds operated by community foundations and other intermediaries that may allow new funders to have immediate and meaningful impact. All resources on the website are provided free of charge to end users.
